## Services:

Planing of planks	@	R 1.00 per meter per surface
Planing of poles	@	R 6.00 per meter per surface
Sharpening of droppers / laths	@	R 6.58 per bundle of 10
Drilling of holes	@	R 15.79 per hole

## Terms & Conditions:

### **Split poles & Planks:**

- Split poles & planks are sold “AS IS”.
- Split poles & planks are sold per strapped bundle and will not be selected individually.
- Sizes will vary.
- Please enquire about lengths kept in stock before placing an order.

All split poles and planks are “wet of saw” products. – Please visit our website on [www.northernpoles.co.za](http://www.northernpoles.co.za) for more info on “wet of saw”.

### **Cutting, drilling or customising of material:**

- We do cut, drill or customise material as per request and subject to machinery required and the fee payable. No material will be cut, drilled or altered before full payment has been received. Material that has been cut, drilled or altered in any way by the customer, or as per the customers instruction, is no longer in the original (SABS) condition and will not be exchanged or refunded ever. NO EXEPTIONS!
- A job description sheet must be filled out and signed for each alteration required by the customer before any cutting, drilling of customising of material will commence.
- Please note that any order received for customising of material will be done as quickly as possible, according to our current workload and labour available. We do not offer a “same day” service.

### **Deliveries:**

- All deliveries are done by independent transport contractors.
- Deliveries are charged according to size and distance.
- All dogs must be locked up.
- Someone must be at the delivery premises to sign for material received.
- Please confirm that the delivery vehicle can enter the premises prior to delivery.
- The house/plot etc. must be visibly numbered.
- All loads will be offloaded next to the delivery vehicle. (Material will not be carried).
- All material must be paid in full before delivery.
- Please check all material upon delivery and note discrepancies on delivery note. **No** discrepancies after the fact will be considered.

### **Selection of material:**

The employees are not allowed to pre-select material featuring a specific characteristic example: “**as straight as possible**” or “**no taper**” or “**must be a green colour**” on behalf of any customer. Peoples taste differs from person to person and it is for this reason that a customer must pre-select material in person (if required). The same principal applies to items that need to be delivered. Pre-selection of material is subject to the following conditions:

- No opening if grouped items, example: laths, droppers, splitpoles, planks.
- Material that has been pre-selected must be paid for the same day, or they will be returned to their bins and made available for selling.

**All prices are Ex-VAT & Ex-Yard. Prices subject to change without prior notification. \* No VAT charge.**

# **Terms & Conditions Continued:**

## **Exchanges:**

- Material that has been cut, drilled or has been used in any way will not be exchanged.
- Exchange of material is subject to a handling fee.
- No material will be exchanged without proof of purchase.
- No exchanges or returns will be accepted after 30 days.
- Laths and Droppers will not be exchanged or refunded.

## **Loading of vehicles:**

- Our personnel are available to load your vehicle on the premises.
- If you prefer, our personnel can also tie the material on your vehicle.
- Once material is loaded on any vehicle, the material is the sole responsibility of the driver.
- It is the responsibility of every driver to ensure that his/her load is tied down and fastened according to his/her taste.
- Northern Poles will not refund or exchange any material that was damaged after the vehicle has left the premises.
- Northern Poles and their staff will not be held liable or responsible for any damages to vehicles.
- Please check all material upon loading of vehicles at our premises. **No** discrepancies after the fact will be considered.
- It is the responsibility of the individual collecting/purchasing the material to ensure that he/she receives all material as specified on the invoice. Although we will take every precaution to ensure that a customer receives their purchased items, we will not be allowed to consider discrepancies after a vehicle has left the premises. The same applies to vehicles, trucks or trailer's that has been abandoned/left during the loading process.
- All material must be collected within 60 days from date of purchase.

## **Grass & Cape Reed:**

- Grass and Cape reed are subject to water damage when it comes in contact with rain.
- No grass or cape reed will be delivered when it's raining or when there are chances of rain unless we are instructed to do so by the customer, in writing, beforehand.
